

DOD INSIDER THREAT AWARENESS TRAINING-PSF-9

The link below provides access to the course that provides a thorough understanding of how Insider Threat Awareness is an essential component of a comprehensive security program. With a theme of, "If you see something, say something" the course promotes the reporting of suspicious activities observed within the place of duty. Using a few case study scenarios, the course teaches the common indicators which highlight actions and behaviors that can signify an insider threat. The instruction promotes a proactive approach to reporting suspicious activities.

NOTE 1: If you are completing this course as a prerequisite for a CDSE instructor-led course or as part of a specific CDSE training curriculum, you must take the final exam in STEPP to receive credit for completion. The passing grade is (75%) for the examination. You may register for the course/exam via STEPP.

PLEASE NOTE:

You may attempt this course an unlimited number of times.

The course contains a pre-test as well as a post-test.

You must receive a passing score (75%) on either the pre- or post-test in order to receive a certificate for this course.

You must print or save a local copy of the certificate as proof of course completion. You must also email a copy of your certificate to the GTS FSO in order to receive credit for the training.
